The intent of CYC racing is to provide safe and fun club racing to members and guests. In this spirit, the CYC Race Committee will base boat handicaps on PHRF–NW certificates. Where no certificate is available, the CYC Race Committee will assign a provisional rating based on standard design and rigging. At its sole discretion, the Race Committee may also consider cruising class factors, performance and crew experience in determining the provisional rating. We sail friendly. It's what sets us apart.
